INTRODUCTION

At **CLEANUP HOUSEKEEPING SERVICES** we are aware about the time and economic constraints that today's corporate management is undergoing to ensure smooth and timely operations of their one time housekeeping of Corporate Offices, Hospitals, Banks, Hotels etc. It has been observed that operational ineffectiveness of a service provider has caused a great liability and disturbance in the company's routine work.

Summary:

Energetic Housekeeping Aide who learns new tasks and concepts quickly while managing time effectively to achieve optimal results. Conscientious and capable of taking initiative. Proficient in routine and deep cleaning.
